

Still MASKS ARE REQUIRED

Even if you are fully vaccinated, public health guidance recommends you continue to wear a mask when you are in public.

MASKS ARE *Still* REQUIRED

**Even if you have
already had COVID-19,
you are still required
to wear a mask on
campus. Masks must
be worn over the nose
and mouth.**

Still MASKS ARE REQUIRED

Even as nationwide
COVID-19 cases
decrease, masks are
still required on
campus as part of your
Augie Strong pledge.
Masks work.

MASKS ARE REQUIRED

Still

**Continue to mask
up when you are
outside your
residence. It's critical
that we do our part to
stop the spread. We
are nearly there!**
